Thank you for taking the time to provide us with information we can use to continuously improve the quality of these resources.

Areas in which we are seeking feedback:

Sufficiency of information

Is there too much or too little coverage of certain topics? Do you feel any parts of the unit of competency are not adequately covered?

Accuracy and currency of content

Does the content reflect up-to-date legislation and professional practice in Victoria?

Organisation of information

Is content set out in a logical order? Is the information set out in a way that allows flexible delivery/usage?

Ease of reading

Insert any comments about the layout, font, icons, images etc. Is the language at a suitable level? Is content easy to understand?

Comparison

How do they compare to the previous resources?

General content

What additional content would you like to see added to future revisions? Is there any content you feel should be removed? Have you identified any errors or omissions?

Other comments

Please make any further comments or recommendations we can consider for future revisions.

Learner feedback

Please encourage learners to complete and return the feedback form at the end of each learner guide after they have finished the unit.
