

VETASSESS & Rural Industry Training and Education (Tasmania)

Here is the proof – A candidate's guide to collecting evidence for assessment against Training Packages

Content

Designed to assist candidates to collect evidence of their own competence for assessment against units of competency in Training Packages.

This resource is applicable to any industry and is suitable for:

- VET in Schools programs
- recognition of competencies currently held
- training programs that encourage candidate involvement in the assessment process and the use of portfolios of evidence.

Features

- written for candidates in a user friendly style
- designed to appeal and capture the interest of candidates
- contains explanations of competence, competency standards and evidence
- includes samples from a range of industry areas/Training Packages
- 40 pages including tools to help the candidate – worked examples and blank templates.

Cost: • \$12 per single copy • \$10 per copy orders of 10 - 49 • \$8 per copy orders of 50 or more
